

ExecIn @ ISM2017

An executive experience, designed just for you. Moderated by Walter Charles, CPO, Biogen. Sponsored by Source One Management Services.

MONDAY, MAY 22, 2017

TIME	SESSION	LOCATION
8:15 – 10:00 am Open to all ISM2017 participants	KEYNOTE GENERAL SESSION: ISM2017 Keynote	Coronado J-L
10:00 – 10:45 am ExecIn attendees only	EXECIN SESSION: Open Mic: Why Here, Why Now? Join your peers and share thoughts on one or more key questions in an “Open Mic” format, moderated by Walter Charles, CPO, Biogen.	Monterrey
10:45 am – 12:00 pm ExecIn attendees only	EXECIN SESSION: Behind the Scenes with ISM2017 Keynote Join our keynote for an exclusive, high-power discussion about his keynote presentation. It’s a rare opportunity not available to general attendees and not to be missed. You’ll have the chance to ask insightful questions and get answers straight from the source.	Monterrey
12:00 – 2:00 pm	ISM2017 LUNCH	Exhibit Hall
2:00 – 3:30 pm ExecIn attendees only	EXECIN SESSION: CPO Roundtable As supply management professionals, we set ourselves apart by embracing and leveraging change instead of merely riding it out. In this interactive and thought provoking session, we’ll hear from CPO’s about how they have successfully triumphed and stayed ahead of the anticipated changes. Topics discussed will include Transformations (M&A, Divestitures), technological advances (AI, IoT, Block Chain), and shifting business models (globalization, consolidation, offshoring vs. on-shoring). Moderated by Naseem Malik, Managing Partner, MRA Global Sourcing and Jami Bliss, Director, Program Management, Teva Pharmaceuticals Panelists include William Dempsey, VP Global Procurement and CPO, MolsonCoors; Craig Reed, Director of Global Sourcing, duPont; Susan Spence, VP Sourcing and Procurement, FedEx	Monterrey
3:45 – 5:00 pm ExecIn attendees only	EXECIN SESSION: Procurement 4.0 The Fourth Industrial Revolution is the name given to the paradigm shift to a world not just enabled by artificial intelligence and machine learning – but driven by it: Customer expectations are changing, and global connectivity fosters if not demands new partnerships to transform operating models. Learn how Procurement must lead the charge to challenge old thinking, capitalize on data innovation, and create truly disruptive technology, rather than be swept up in the revolution. Tom Linton, Chief Procurement and Supply Chain Officer, Flex; James Patounas, Senior Data Scientist, SourceOne; Jason Busch, Founder and Head of Strategy, Azul Partners, Inc.	Monterrey
